## **GOODBYE and GOOD LUCK**

Dear colleagues,

I just wanted to say it's been a privilege and a pleasure to have been Group Managing Director of SJ Bargh for the last 8 ½ years.

It's been an eventful journey and we have achieved so much from a strong financial footing, passed to me by my predecessor.

We have grown through the acquisition of RG Bassetts and Ulpha, giving us a foot print in Scotland and growing our own business.

We are the UK's largest private and family owned haulier and collect 10% of the whole of the UKs milk.

Our Scania accredited workshop is considered the very best in the Network and our strategy regarding warehousing has seen the total and ongoing refurbishment of Claughton.

Behind all of these achievements are great people and I have been very proud to lead this talented team and thank you for your support.

I am sure you will support my successor Graeme Richardson.

Again, my thank you to everyone that has contributed to the success of our Group of businesses and I wish you all the very best for the years ahead.

*We appreciate all that Anthony has done in his time with us and wish him well in his new role.*

*We are pleased to announce that our new MD, Graeme Richardson, will join us on 4th April. Graeme has 35 years' experience in transport and logistics and is looking forward to a new challenge. We are sure that you will welcome and support him as he settles in.*
